Dear HAWK,

Is it me or are the girls getting cuter by the day? I don't get it. I mean, chicks have always been hot and stuff, but now they're just like totally off-the-chart smokin' awesome hot! Where do we go from here?

Case in point: Holly Van Hough. Now, I've known lots of girls named Holly over the years, but I've never known one nearly as hot-lookin' as this Holly. Hell, this Holly puts all the others to shame! It's not just because she's blonde, because a whole bunch of girls are blonde and a couple of them named Holly. But your Holly has those awesomely perky boobs that are little but they are so fun and perfect that I just want to put my mouth on them and mush them like over-sized marshmallows!

The other thing that I really need to say to you guys is that these new girls today aren't just like way beautiful, they're, you know, show-offy and provocative. Checking out this Holly I didn't think she was getting out of her bikini but then there she is, squeezing those totally sweet tits together and showing off her pretty peach and even sticking fingers in her wet hole!

Just a few years ago I'd have said no way there's going be girls named Holly or anything that hot and adorable coming around and then even getting naked for us! What next, coming to my house and having sex with me? Now that would be sweet!

Duke
Huntington Beach, CA

Dear Duke,

You may be right. Girls have always been gorgeous, but we know for a fact that the little ladies coming through our doors have continued to get more and more attractive. So what are we going to do, complain? Not photograph them? Hell, no! Our mission is to bring you the best of the best, and the best just keeps getting better.

Dear HAWK,

Your February issue featured a girl named Tereza who looks a lot like an ex-girlfriend of mine (and her name was Teresa). I actually thought it was her, but the more I stared at the pictures (and, I admit, I did a lot of staring), I remembered that my ex's bush was a little fluffier and she never trimmed it in a landing strip like Tereza does.

I'm not judging either girl on that. Me, I'm happy either way. I just don't want some big, old muff getting in my way and poking me in the

eye when I go down there for snacking. That obviously wouldn't be an issue with Tereza, whose muff is so little and well-trimmed.

The other thing that is different between these girls is the vibrator. My girl would never have used one. She was always making me fuck her (not that I complained) and I even wanted to get her one once (just to give myself a break), but no go. Tereza obviously uses hers quite a bit, because it seems to come real easy to her. (I bet cumming is easy for her, too.) I wish Tereza really was my ex-girlfriend. She wouldn't be my ex if she was!

Jonathan
Belfast, MA

Jonathan,
Girls as good- looking as Tereza can have as many ex-boyfriends as they want, because they're so hot we just can't resist! Our suggestion: Go find your hot ex who wanted to screw too much and give it another try. She was obviously gorgeous if she looked just like Tereza.

Dear HAWK,
How do you go about choosing your Babe of the Month? I'm not criticizing you—far from it, especially with your latest choice of Bridget—I just wonder how it's done. Do you guys sit in a room and vote by secret ballot? Do the girls come by the office and campaign? Surely it must be a great honor for any girl to be crowned Babe of the Month, so I imagine they would go to great lengths to achieve that goal. Just wondering. I've been thinking about it for years and figured I could just ask instead of trying to figure it out. Thanks!

Sutton
Toronto, ON

Dear Sutton,
The process is actually quite simple. Once a month we take an afternoon where we discuss each of the girls and look at pictures of each blown up on a giant screen in our conference room. The girls are always invited, but only occasionally do they take the time to show up and argue their case. (Remember, the girls come from all over the world!) It's usually surprisingly civil, but we must admit that a few chairs have been broken while arguing over which girl is most deserving. For the record, one projector was broken during a fight on where to order lunch from—we are passionate people! But usually it doesn't get that heated. We just love beautiful women (and food), that's all!

Dear HAWK,
There she is. Kati. She's blonde. Has pert breasts. Her pussy is completely shaved to where there's no trace of a hair having ever been there. She starts in a striped shirt and blue jeans. Then there's just white panties with pink flowers. Soon there's nothing between her and the tile floor. There should have been something between her and the floor: me.

HAWK ON THE SET

Story By **Acme Andersson**

Some girls are truly meant for porn. They are so horny, so eager for action, and look so damn good doing it that it seems like there is nothing else in the world they should be doing.

*That's just the kind of girls Stoney Curtis picks for his **New Nymphos** series. Sweet, young things who are new to the business but already so adept at taking cock that you'd think they'd been fucking for years. In the five episodes in this edition, Stoney introduces some incredible new talent.*

***Hellen** is a full-bodied Latina who entices men by jiggling her plump ass. **Miley** is a new girl from the Philippines, as cute as she is tiny as she is horny. **Taylor** is a plump-lipped and nice-racked Asian girl who is super aggressive when she gets her hands, mouth, or pussy on some cock. **Jewel** is a big-eyed, little-boobied wonder who learned much of what she knows by watching porn. And **Heather** is a full-assed blonde bombshell who cums constantly and loves the taste of a guy's jizz before swallowing his load. Sound like anything that might interest you?*

HELLEN CIELO

State: Florida
Ht: 5' 6"
Wt: 129
Guy: Mike Adriano

It's a hot day when Hellen spies Mike out back working on the lawn. She kindly offers him a big glass of water and insists he come inside to cool down. Instead things just get hotter indoors!

She's naked in no time, jiggling her ass, and Mike loses his clothes, too, and soon his cock finds its way into her mouth and then into her juicy gash. She gets on top to ride and every time her pussy fills with his dick, it squeaks from her wetness. "Give it to me," she moans. "Come on, baby, I'm cumming, I'm cumming!" Her eyes close and her legs suddenly squeeze together, but she doesn't break stride, her big tits still bouncing and pussy still doing its magic on his shaft.

Hellen lies down flat on her front side, legs squeezed together, both hands reaching back to pull her ample ass cheeks apart, Mike enjoying the view as he pumps her. She tells him she wants him to cum so he picks up steam, then says, "Are you ready for some cum?" That's her signal to get off the couch and get on her knees where he blasts her full lips with his wet jizz. She strokes and sucks him off and says, "Thank you, baby. I came twice!"

MILEY VILLA

Country: Philippines
Ht: 5′ 1″
Wt: 120
Guy: Christian

The question has often been asked how tiny girls manage to take huge cocks and we don't have the answer unless it's to say "Very well!" Little Miley is a perfect example, standing just an inch over five feet, she manages to handle Christian's over-sized appendage most masterfully.

While she can't come close to deep-throating him, she makes up for it with twisting hand movements and Christian is soon hard and ready to stuff her little box. He gets inside surprisingly easy, Miley on her back with her knees back by her ears, watching as every inch of his monster disappears into her hungry hole. When they get into doggie, she sticks her ass up and insists he fuck her hard. He rams deeper and faster while massaging her asshole as she plays with her clit, leading to an orgasm that leaves the Filipino girl speechless.

She rides him hard, little strip of muff above her perfect pussy lips that appear to really hug Christian's giant cock. She won't stop until he cums and finally he lets out some animalistic grunts and even this little import knows what that means: it's time to get up and let him get off. She faces the music, as he strums his instrument toward her pretty face, covering it with stripes of white as she smiles among the globs.

TAYLOR KISS

State: California
Ht: 5′ 4″
Wt: 117
Guy: Tommy Gunn

When the plumber shows up, Taylor is getting ready for something and only half-covered by a towel. Not upset by what he's seen, he heads off to the kitchen, unaware that it was him she was getting ready for. She walks in a minute later in stockings, G-string, and little bra.

The plumber may not be a scientist, but he knows when a hot, young girl is coming on to him. He gropes her tits then explores her pussy before she asks to see his pipe. She sucks him eagerly and without asking any questions, climbs on top of him and shoves his tool in her overly wet pussy. Her sweet rack bounces in his face as she whispers to him about his cock, how good it feels, and soon she is in a frenzy, teeth clenched and eyes closed and cumming as she rides his meat.

"Baby, I want you to cum on my face," she says desperately as they move into doggie- style. "I need you to cum all over my face!" He fucks her with quick strokes as she holds steady, turning to watch him, still talking about his load until he pulls out, allowing her to turn around. He gives his snake a few strokes and douses her tits and she jiggles them, then lowers down to suck, just in case there's another drop or two inside. "Oh, I loved that plunging!" she tells him.

JEWEL BANCROFT

State: California
Ht: 5′ 2″
Wt: 125
Guy: Talon

Talon shows up at just the right time: Horny Jewel is on the couch watching a porno while playing with her snatch when her new neighbor knocks. He's come by to bring some misdelivered mail. Lucky him, he gets to deliver his "male" right into her letter "P" slot.

She sucks him off just like the girls in the movies, gurgling as she gobbles, doing her best to get the whole thing down her throat, looking up at him with big, fluttering eyes as she blows. She gets on the couch and spreads her legs, eager for the real thing. He shoves it in and her eyes light up. "Your dick is so huge!" she exclaims. "I can't believe how big it is!" She takes full advantage of her well-hung neighbor, having him penetrate her bald snatch from every direction, particularly enjoying riding his cock, which she does long and very hard.

Talon takes her from behind, and the sight of the small girl's bulbous ass moving as he nails her is delightful. At first she keeps her legs together and he comes in high, then he lowers down for a more traditional approach as she talks her filthy talk and finally he pumps her more and more rapidly, asking if she wants some cum. She says she does, she wants him to cum hard! He pulls out and she turns around with a dirty look of anticipation and his cock blasts, the first shooting past her mug but later layering on her face. "That was amazing," she says, "that was just like a real porno!"

We'd love to
blast Jewel
full of fuel!

HEATHER HUNTLEY

State: New York
Ht: 5′ 3″
Wt: 136
Guy: Mario Cassini

Heather spends some serious time trying to get new roommate Mario's attention and finally manages when he turns on the TV and he notices they have a lot of porn channels. This turns the conversation to sex and next thing you know, they are acting in their own dirty movie. She opens up by stroking and sucking his dick, promising to fuck him anytime he wants. Think she likes his cock?

There's no question how much love she has for his dick when she gets on and he holds her up by the ass cheeks and drills her from below then sits back to let her do the work, which she happily does. "It's so fucking big!" she screams as she grinds to an orgasmic halt. They turn things around so he can do her from behind and the real screaming begins. "You're so fucking deep! Holy fuck! You're going to make me cum!" She cums again but this time he bangs her right through it.

"Oh yeah, fuck that cunt!" she tells him as he sinks it in, Heather on her side, leg thrown over his shoulder, grabbing onto her own big ass as he tells her that he's going to cum all over her face. "Yeah?" she asks almost tauntingly. "You're going to cum all over my face? I want to eat your cum!" He pulls out and she sets up between his legs. She plays with his balls like he asks and he unloads in her mouth. She keeps sucking long after the release is over, then looks up at him, telling him how delicious his cum was.
